SAN LUIS REY RIVER PARK PUBLIC MEETING RESCHEDULED *Second of Four Community Input Meetings Held on January 20*

The County of San Diego Department of Parks and Recreation has rescheduled the second San Luis Rey River Park Project public input meeting for Thursday, January 20, 2005 at 7 p.m. The meeting will be held at the Bonsall Community Center, at 31505 Old River Road in Bonsall.

The public is invited to participate in the development of the San Luis Rey River Park Master Plan. The Master Plan will establish the framework for the development of a river park within the 8-mile corridor of the San Luis Rey River between Interstate 15 and the Old Bonsall Bridge.

This project may feature educational exhibits and preservation of natural and cultural resources, recreational facilities, and riparian and floodplain restoration and preservation.

The San Luis Rey Regional River Park is poised to become a showcase of the natural, cultural and recreational resources within San Diego County.

###

Established in 1946, the San Diego County Department of Parks and Recreation is dedicated to preserving regionally significant natural and cultural resources and to providing opportunities for high quality parks and recreation experiences for residents and visitors. County Parks and Recreation maintains more than 90 parks covering more than 35,000 acres and are open year round. For more information on County Parks and Parks programs visit www.sdparks.org or call (858) 694-3044.
